VIP: \$300

### Reservations

VISM: 604.295.2333

## Contributions

MECS' objective is to present superb performances by artists of international and local acclaim in preferred venues at affordable prices. Revenue from ticketsales covers only a part of MECS' operating expenses, which are considerable and continue to grow. This is why your contribution makes such a difference in closing the gap between our ticket revenue and total expenses. By allocating your contributions towards concert expenses, MECS can maintain affordable ticket prices and ensure that anyone wishing to enjoy our world-class concert series is able to do so. Your contribution will enable MECS to continue to move forward with its objective. In appreciation of your support, contributions of \$1000 or more will receive two seasonal packages with our compliments. Please note: MECS is a non-profit, charitable, tax-exempt organization and as such contributions to MECS are tax deductible.
